- I also plan to produce a 'Daily Reading' Guide to Isaiah 1-39, with 5 readings each week that will help people read through the whole of Isaiah 1-39 in bite-sized chunks.
- My recommendation for a commentary on Isaiah is in the *Bible Speaks Today* series - 'The Message of Isaiah' by Barry Webb (about \$20 from Koorong). We will try to get a stack in on the bookstall in the next couple of weeks.
