

GNW 2012- Adults Tent- Santorini Summer

This year's theme for the Adults' tent is the Greek islands- an idyllic holiday destination with a rich cultural history. We would like to focus on the idea of escaping to somewhere relaxing and beautiful, using Greek's cultural and spiritual heritage to lead into our talks.

Day 1: The Mediterranean diet- healthy and delicious! (Mon 9th Jan)

Eating in Greece is all about gathering together and sharing the experience with family and friends. We want to kick off the week welcoming you with some Greek hospitality. Hayley will be giving this talk looking at the essentials of Greek cooking and the health benefits of a Greek diet. We will provide foods to taste making this an interactive session.

Greeks are passionate about their food, and it seems more and more of us in Australia are feeling the same way- just look at all the cooking shows on TV. We will present a gospel talk on passions, especially our passion for sharing the good news of Jesus with our community.

Day 2: Hercules, Xena and more! Heroes' day (Tue 10th Jan)

Greece is famous for its ancient heroes- Hercules, Jason and Alexander to name a few. Who were the people that you looked up to in your life? Today we look at mentors and role models in our lives, and the importance of them for our children.

We will present a gospel talk on the greatest hero of them all- Jesus.

Day 3: You need a holiday! Planning a family holiday (Wed 11th Jan)

Kim Parry Jones is a member of EV church at Erina. For a number of years she ran a company specialising in organising holidays for families. She will give us some tips for planning holidays, especially with children.

Sonya Edwards will tell us about her experience of a family holiday with 6 children and will share how she came to know Jesus.

Day 4: Mamma Mia! Tips on living with teens (Thur 12th Jan)

A talk on parenting teens was considered a priority for this year. Janine Ayling will share her wisdom, as both a mother and counsellor, on raising teenagers.

We will have a testimony from a young adult Christian who has survived the teen years and still remembers what they are like!

Day 5: Our big fat Greek finale! Will the real God please stand up? (Fri 13th Jan)

Michael Plaege will speak to us from Acts 17, Paul's famous sermon to the Athenians, making the "unknown God" known.

Our last day is always a day of celebration and feasting. Don't miss this year's celebrations Greek style!
